

Co-operatives South East is a membership organisation.

We exist to promote, assist and develop co-operatives in the South East.

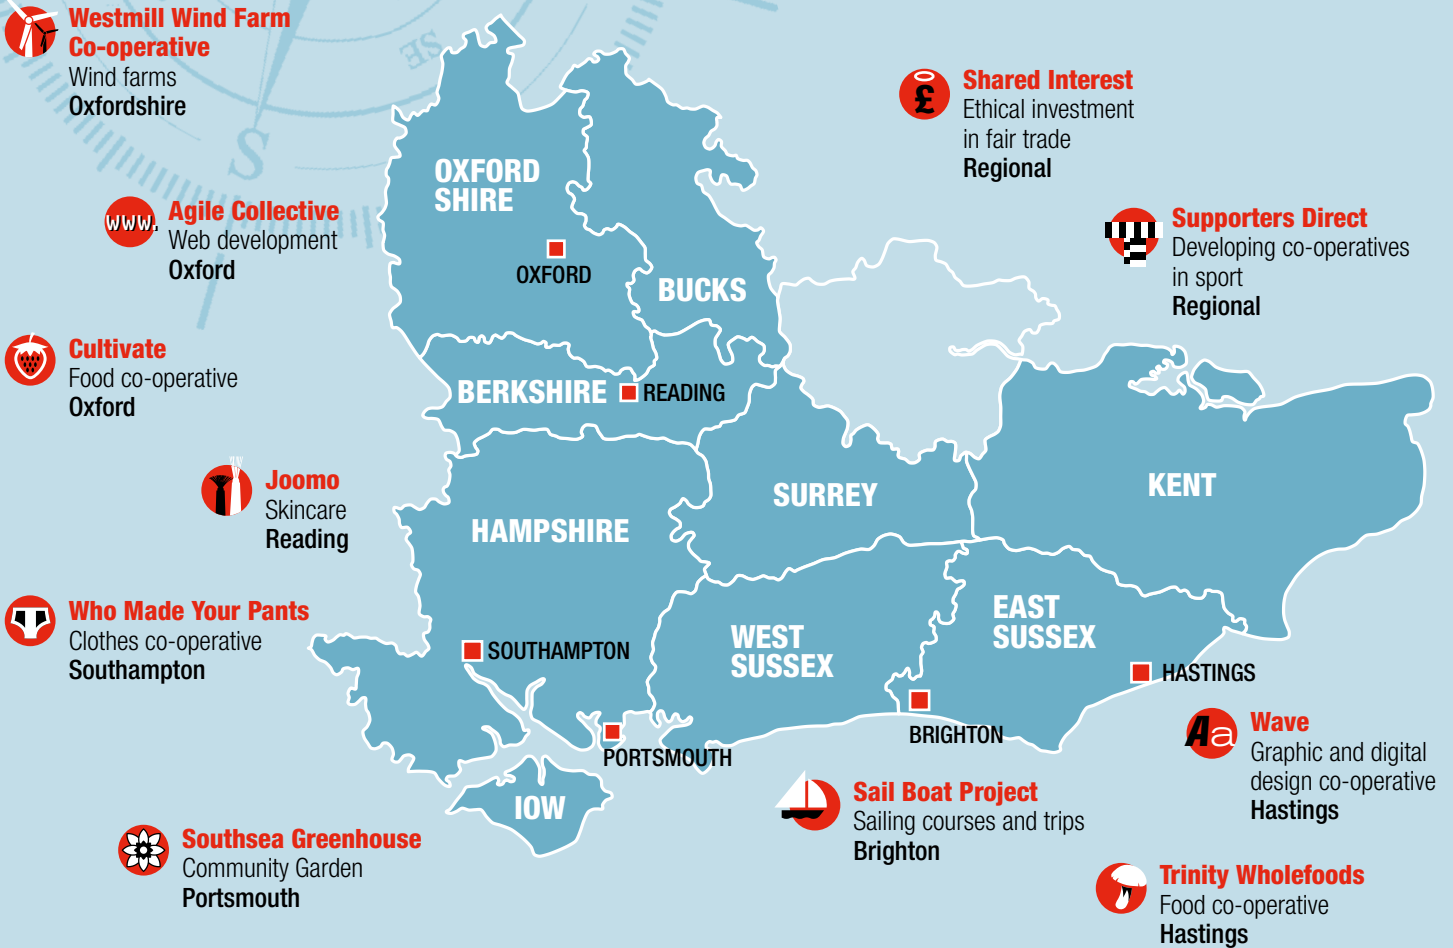

Our members represent a range of businesses within the co-operative sector including the creative, housing, fashion, retailing and finance sectors. We always welcome new members to strengthen the network, so if you are a co-operative we want to hear from you. Here are a few of the benefits membership can bring to you and your co-operative:

- **Annual Conference** – free attendance, priority booking period, speaker and exhibition opportunities
- **Networking** and potential new business generation
- **Regular e-newsletter** with national and regional co-operative news
- **Opportunities** to receive small bursaries for events
- **Increased publicity and awareness** for your co-operative
- **Greater knowledge** of the co-operative movement
- Best of all, because you are a co-operative, **membership is free**

Meet some of our members

Here's what some of our members say:

"Who Made Your Pants is all about fairness and being a co op is just another part of that. We joined Co-operatives South East and have since received support for our events"

Catherine Wright, Who Made Your Pants

"Co-operatives South East have really helped us promote our wholefood co-operative by, amongst other things, giving generous bursaries towards staging promotional events. These have been a great opportunity both to gain new customers and share information about the many benefits of the co-operative business model – and they've been great fun too!"

Sandra, Trinity Wholefoods

"Thank you Co-operatives SE – the opportunity to share and learn from other co-ops is much appreciated – keep up the good work!"

Conference Attendee

"Excellent conference and thank you for making it free to attend, most important to make it available to all co-operatives, rich or poor"

Conference Attendee
